

“Give us this day our daily bread...”

Matthew 6:11

1. This bread is not just physical sustenance, but emotional and spiritual as well.

2. This bread is daily bread.

3. This is the bread we need, not always the bread we want.

4. This bread will fill us even when we're hungry.

5. This bread is connected to the Kingdom of God.

“In a world enslaved by Satan, in which God is distant, the disciples are to ask for their share in the glory of the consummation now. They may reach for the bread of life with both hands and pray: Now, here and now, today, give us the bread of life, in the midst of our sorry existence.”
